Barge 19.46 m “KIWI”

Beautiful steel liveaboard barge of 19.46 m, ideal as a spacious and comfortable floating home. Built in 1905, she recently benefited from a hull survey and below-waterline hull repainting (August 2025).
On board, the layout offers one cabin and a shower room with shower and electric WC. The kitchen is fully equipped (gas hob, two refrigerators). Everyday comfort is ensured by diesel-fired heating and hot water, polyurethane foam insulation and a floating parquet floor.
On the technical side, the barge is powered by a 60 hp Doosan diesel engine with keel cooling and a hydraulic wheelhouse control station. Energy autonomy is enhanced by eight solar panels and a lithium service battery bank (2023).

Features of the boat

Generalities

Type of boat : Barge
Length (m) : 19.46 m
Width (m) : 3.38
Builder : NC
Year : 1905
Hull : Steel
Superstructure : Steel
Air draft (m) : 2.30
Water draft (m) : 1.03
Navigation : River

Comfort

Cabin(s) : 1
Sleeping(s) : 3
Single bed(s) : 1
Double bed(s) : 1
Type of WC : Electric,1
Shower(s) : 1
Kitchen : Gas hob,220V refrigerator,Réfrigérateur 24V,Freezer
Television : Antenna
Security : Security camera
Hot water : Chaudière Fuel
Heating : Oil stove
Type of insulation : Polyurethane foam
Extra : Isolation mousse polyuréthane 5 cm. Plancher parquet flottant.

Deck and exterior

Steering position(s) : 1,Hydraulique
Outdoor equipment : Windlass

Technical

Number of engines : 1
Power per engine (HP) : 60
Engine make : Doosan
Engine year : 2005
Fuel : Diesel
Engine hours : 1000
Exhaust : Sec
Engine cooling : Keel Cooling
Number of propeller blades : 3
Shaft lubrication : Grease
Propeller shaft sealing : Classic stuffing box
Propulsion type : Propeller shaft
Bilge pump(s) : 1
Service battery(ies) : 3 x 2,4 kW de 2023
Type of service battery(ies) : Lithium
Solar panel(s) : 8
Voltage on board : 220V,12V,24V

Tank

Engine fuel : 1 x 100 L (cuve acier)
Heating fuel : 1 x 400 L (cuve acier)
Drinking water treatment : Filtration,UV

Navigation

Navigation equipment : VHF
