Luxemotor WESTFRIES

This 17.97-metre luxemotor was built in 1922 by the De Volharding yard in Alkmaar, the Netherlands. Her hull is iron, as befits a boat of this age.
With an air draft of 2 metres and a draft of 1.10 m, she travels the whole inland waterway network. The large wheelhouse, bright and roomy, brings together the helm position and a bench seat from which to watch the scenery in any season. Amidships, the living area, bathed in natural light, combines a fully fitted galley and a saloon. The aft cabin makes a first, private sleeping space; forward, a second cabin with a double bed opens onto a bathroom with shower and WC.
Headroom is generous for a boat built in 1922: 2.00 m in the saloon, 1.85 m in the wheelhouse and 1.70 m in the aft cabin.
Power comes from a 95 hp DAF of 1987, with dry exhaust and shaft drive. Heating is by a diesel stove, hot water by a gas boiler and a water heater. The electrical system is built around a Victron 24 V / 3000 W – 70 A combi and a battery bank entirely renewed in 2026. Tanks: 500 litres of diesel, 1,000 litres of drinking water and a 110-litre black water tank.
The hull and superstructure were repainted in April 2023, with new anodes.
The hull does, however, need work. This work will be carried out as part of the sale, and a new survey will be provided to the buyer. The previous survey (2019) also noted the propeller, whose leading edges are chipped, and the rudder stock.

Generalities

Type of boat : Barge
Length (m) : 17.97 m
Width (m) : 3.12
Builder : Volharding
Year : 1922
Hull : Fer
Superstructure : Steel
Air draft (m) : 2.00
Water draft (m) : 1.10
Navigation : River

Comfort

Cabin(s) : 2
Sleeping(s) : 4
Double bed(s) : 1
Type of WC : Electric,1
Shower(s) : 1
Kitchen : Gas hob,Gas oven,Gas Grill
Laundry : Washing machine
Min. headroom : 2.00
except the following part(s) : Wheelhouse 1.85 m, aft cabin 1.70 m
Hot water : Instantaneous Gas
Heating : Oil stove
Extra : Gas hot water.

Deck and exterior

Steering position(s) : 1
Outdoor equipment : Gangway,Bathing ladder,Mast,Foghorn

Technical

Number of engines : 1
Power per engine (HP) : 95
Engine make : DAF
Engine year : 1987
Fuel : Diesel
Exhaust : Sec
Cruising speed (km/h) : 8
Ballasted : Steel
Weight (t) : 30
Propulsion type : Propeller shaft
Bilge pump(s) : 2,Manuelle(s),Automatic(s)
Service battery(ies) : 2 x 140 AH de 2026
Motor battery(ies) : 2 x 140 AH de 2026
Generator set : 3200W gasoline
Combi (charger/converter) : Victron,24V/3000W-70A
Solar panel(s) : 2 x 18V 4,7Amp
Extra : Hull and superstructure painted new in April 2023. New anodes.

Tank

Engine fuel : 500L
Drinking water : 1000L
Black water : 110L

Navigation

Navigation equipment : VHF
