

11 M BARGE "BAI"

11.8 m x 3.7 m - 4
couchage(s) - 2 cabine(s)

Mooring place : H2O (Saint-Jean-de-Losne)

25000 €

Discover this 11.80-meter-long, 3.70-meter-wide barge, built in 1993 in Prague, offering a solid hull. Suitable for navigation across all European canals, this barge is equipped with a Thornycroft engine reconditioned in 2017. The interior layout comfortably accommodates 4 people with two cabins. The bright wheelhouse features a helm station and a seating area. A rear staircase leads to the galley with dinette, as well as a cabin with a double bed and a bathroom equipped with a shower and toilet. At the bow, a second cabin with a double bed also benefits from its own toilet. Outside, a large deck allows you to fully enjoy life on the water. Some interior refreshment work is to be expected, offering an opportunity to customize the boat to your taste. The last below-waterline hull repaint was carried out in 2026.

This 11.80-meter barge is an excellent base for a liveaboard project or long-distance cruising on European waterways.

New photos will be available soon.

Mooring spaces are available in our ports in Saint-Jean-de-Losne and Auxonne (21), providing a simple, fast, and secure setup. We can also assist you with financing arrangements to help bring your project to life.

Features of the boat

Generalities

Type of boat : Barge
Length (m) : 11.8 m
Width (m) : 3.7
Builder : Amateur
Year : 1993
Hull : Steel
Air draft (m) : 2.5
Water draft (m) : 0.85
Navigation : River

Comfort

Cabin(s) : 2
Sleeping(s) : 4
Double bed(s) : 2
Convertible couch : Living room
Type of WC : Manual,2
Shower(s) : 1
Kitchen : Gas hob,Oven 220V,Microwave,220V refrigerator,12V refrigerator
Min. headroom : 1.73 m
except the following part(s) : Wheelhouse 1.91 m, kitchen 1.85 m, aft cabin 1.87 m
Hot water : Heated by engine,Heated by 220V
Heating : Electric

Deck and exterior

Steering position(s) : 1,Hydraulique
