

19M CABOTAGE VESSEL

19.84 m x 3.70 m – 6
couchage(s) – 2 cabine(s)

Mooring place : Parisian region

150000 €

A former cabotage vessel dating back to 1900, this barge measuring less than 20 metres was converted into accommodation in 1990, while retaining its authenticity and original charm. Today, it offers a bright, comfortable and pleasant living environment when sailing.

The beautiful outdoor spaces allow you to fully enjoy life on the water, whether at anchor or underway. Inside, the layout is functional and well thought out. A passageway houses a freezer, washing machine and tumble dryer, providing real everyday comfort.

The owner's cabin has a central double bed and a wardrobe, creating a comfortable and well-organised sleeping area. A guest cabin with bunk beds and a wardrobe can accommodate family or friends. The layout is completed by a bathroom equipped with a shower/bathtub and a WC.

This characterful boat will appeal to lovers of older vessels looking for a unique living space that is as pleasant to live in as it is to sail.

Mooring spaces are available in our ports in Saint-Jean-de-Losne and Auxone (21), for a simple, quick and secure installation. We can also assist you with financing to help you realise your project.

Features of the boat
