

## ALTENA EXCEL 48 "LIGNAGE"

14.80 m x 4.33 m - 5  
couchage(s) - 2 cabine(s)

Mooring place : H2O (Saint-Jean-de-Losne)

**180000 €**

The 1997 Altena Excel 48 Lignage, refitted in 2010, is a liveaboard motorboat offering generous living space and perfectly suited both as a permanent residence and for river and sea cruising. This boat provides a comfortable and light-filled living environment, with well-designed spaces and ample storage.

The interior comprises a spacious, light-filled saloon with a sofa, a fitted kitchen with a dinette, and three cabins accommodating up to six people. The aft cabin features a central double bed and wardrobes, whilst a cabin with twin beds and a second double cabin at the bow complete the sleeping quarters. A bathroom with shower and an electric toilet complete the package. The interior fit-out was carried out by the owner, giving this vessel a unique touch.

Outside, a very large deck offers a superb living space, ideal for entertaining, with a helm station, bench seat and fridge. The fittings ensure optimal comfort on board, including a Kabola diesel central heating system feeding five radiators, hot water, an audio system with external speakers, and a full range of appliances comprising a gas hob, electric oven, extractor hood, 220V and 24V fridges, and a washing machine.

The boat is also fully equipped with technical features, including a hydraulic steering system, a teak deck, a swim platform, a swim ladder, a sun awning, a hydraulic bow roller, stainless steel davits with an electric winch, and a hydraulic windlass with approximately 25 metres of chain. It is equipped with navigation instruments such as VHF, depth sounder, compass and rudder indicator.

More recent photos and 360° views will soon be available online, along with a more comprehensive technical description.

Moorings are available in our ports at Saint-Jean-de-Losne and Auxonne (21). We can also assist you with your financing arrangements to help bring your project to completion.

## Features of the boat

### Generalities

Type of boat : Motor Cruisers  
Length (m) : 14.80 m  
Width (m) : 4.33  
Builder : Altena (NL)  
Year : 1997  
Hull : Steel  
Water draft (m) : 1.40  
Navigation : River,Maritime

### Comfort

Cabin(s) : 2  
Sleeping(s) : 5  
Single bed(s) : 2
