

ALTENA EXCEL 48 "LIGNAGE"

14.80 m x 4.33 m - 5
couchage(s) - 2 cabine(s)

Mooring place : H2O (Saint-Jean-de-Losne)

180000 €

The 1997 Altena Excel 48 Lignage, refitted in 2010, is a liveaboard motor yacht offering generous volumes and perfectly suited for use as a primary residence as well as for river and sea navigation. This vessel provides a comfortable and bright living environment, with well-designed spaces and plenty of storage.

The interior features a spacious, light-filled saloon with a sofa, an equipped galley with dinette, and three cabins accommodating up to six people. The aft cabin includes a central double bed and wardrobes, while a twin cabin and a second forward double cabin complete the sleeping area. A bathroom with shower and an electric toilet complete the layout. The interior design carried out by the owner gives this vessel a unique character.

Outside, a very large deck offers a privileged living space, ideal for entertaining, featuring a helm station,

seating area, and refrigerator. Onboard equipment ensures optimal comfort, including Kabola diesel central heating supplying five radiators, hot water, an audio system with external speakers, as well as a full set of appliances: gas hob, electric oven, extractor hood, 220V and 24V refrigerators, and a washing machine.

The Altena Excel 48 is also equipped with comprehensive technical features, including hydraulic steering, a teak deck, bathing platform, swim ladder, sun canopy, hydraulic arch, stainless steel davits with electric winch, and a hydraulic windlass with approximately 25 meters of chain.

More recent photos and 360° views will be available soon.

Mooring spaces are available in our marinas in Saint-Jean-de-Losne and Auxonne. We can also assist you with financing arrangements to help bring your project to completion.

Features of the boat

Generalities

Type of boat : Motor Cruisers
Length (m) : 14.80 m
