AQUANAUT 1300 AK

Built by the Aquanaut Yachting Holland yard, this Dutch motor cruiser combines solidity and comfort. Her design makes her as well suited to coastal cruising as to inland waterways. Thanks to her stability, she holds well at sea, even in more demanding conditions.
Her spacious interior includes a saloon bathed in light. The fully fitted galley opens onto a dinette area. Two cabins provide berths for four people, while the separate shower room and the two WCs complete the layout.
This model also has two helm positions, inside and out, so she can be used in any season. Well maintained and in good general condition, the boat is ready to cruise. Her fuel efficiency suits long passages.
With her generous volumes, the Aquanaut 1300 AK works equally well as a floating second home and as a boat

for travelling.
This Aquanaut was sold to her current owner by H2O Marine, so a full record of her maintenance and her history is available. The boat can be viewed in the Rhône Valley, near Valence.
Berths are available in our marinas at Saint-Jean-de-Losne and Auxonne (21). We can also assist you with financing arrangements to help bring your project to completion.
