

AQUANAUT 1300 AK

13.21 m x 4.14 m - 7
couchage(s) - 2 cabine(s)

Mooring place : South of france

139000 €

Built by the renowned Dutch shipyard Aquanaut Yachting Holland, this motor yacht combines strength, elegance, and comfort. Thoughtfully designed, it is the ideal companion for both coastal and inland cruising. Thanks to its exceptional stability, it ensures a smooth and reassuring experience at sea—even in more demanding navigation conditions.

Inside, the spacious layout impresses immediately with a bright, welcoming salon that invites relaxation. The fully equipped galley opens onto a dinette area, perfect for sharing meals in a warm, convivial atmosphere. Two cabins provide comfortable sleeping arrangements for four people, while the separate shower and two toilets offer everyday convenience and ease of use.

This model also features dual helm stations—interior and exterior—making it easy to cruise year-round, whatever the weather. Well maintained and in good overall condition, the boat is ready to welcome its new owners for fresh adventures. Its energy efficiency also makes it an excellent choice for extended cruises, without compromising the pleasure of navigation.

With its timeless lines and generous space, the Aquanaut 1300 AK stands out as both a floating second home and a trusted travel companion—designed for exploring without limits, at the pace of the water and your wanderlust.

This Aquanaut motor yacht was sold to the current owner by H2O Marine. A full history of the boat's maintenance and history is therefore available. This boat can be viewed in the Rhône Valley, near Valence.

Mooring spaces are available in our ports in Saint-Jean-de-Losne and Auxonne (21). We can also assist you with financing to help make your project a reality.

Windows : Aluminum frame,Double glazing on all windows,Mosquito net

Technical

Number of engines : 2
Power per engine (HP) : 150
Engine make : Volvo
Engine year : 1994
Fuel : Diesel
Engine hours : 2600
Exhaust : Mouillé
Engine cooling : Inter Cooling

Number of propeller blades : 4
Shaft lubrication : Water
Propeller shaft sealing : Volvo type rubber seal
Cruising speed (km/h) : 24
Ballasted : Steel
Propulsion type : Propeller shaft
Bow thruster : Vetus,24V/3kW
Stern thruster : Vetus,24V/3kW
Bilge pump(s) : 3
Service battery(ies) : 4
Type of service battery(ies) : Acid
Motor battery(ies) : 2
Thruster battery(ies) : 4 x 180 AH - 2024
Generator battery(ies) : 1
Generator set : HASE x 4 kw soundproof
Combi (charger/converter) : Victron,12V/1600W-70A
Battery charger : Victron
Converter : Yes
Isolation transformer : Victron
Voltage on board : 220V,12V,24V

Tank

Engine fuel : 2 x 800 L
Drinking water : 2 x 600 L
Black water : 400 L

Navigation

Navigation equipment : GPS,Card reader,Sounder,Speedometer,VHF,Radar,Autopilot,Bar Indicator,Compass
