AQUANAUT “WITCH OF ENDOR”

Built in 1991 by the Dutch shipyard Aquanaut Yachting Sneek, this Unico exemplifies Dutch expertise in steel motor yachts: robustness, comfort and careful finishes. It remains a boat suited to both inland and coastal cruising. This Unico has a multi-chine hull.
Measuring 11 meters in length and 3.70 meters in beam, this yacht offers good livability with a bright saloon thanks to large windows, a fully equipped galley, and a dinette that can be converted into a berth. The aft cabin features a double bed and a bathroom with shower and toilet, while the forward cabin provides a space for guests. The generous headroom and woodwork create a welcoming atmosphere.
Outside, the aft deck provides a sheltered relaxation area, while the bathing platform makes launching and swimming easy. The steel superstructure ensures good longevity, true to the reputation of Dutch shipyards.
This 1991 Aquanaut Unico will appeal both to boaters looking for a liveaboard boat and to those who wish to cruise along European canals and rivers.
