BABRO SPORT BOAT 1150 XL

This 11.80-metre steel inland cruiser is a Sport Boat 1150 XL, built in 2007 by the Dutch yard Babro Yachting. Four metres of beam, 1.10 m draft and 2.65 m air draft: she goes anywhere, and for her size offers a living volume that few 12-metre boats can match. Her 5 mm steel hull has only ever been used in fresh water. Design category C.
The interior is the boat’s strong point: teak woodwork and teak flooring, Alcantara finishes, and a saloon full of light. The galley is fully equipped — gas hob and oven, 220 V grill, extractor hood, dishwasher, two fridges — and there is also a washing machine and a tumble dryer on board. Forward, a cabin with two single berths in a V; aft, a large cabin with a double bed. A shower, a separate electric WC. From 2.05 m to 1.95 m headroom.
She is made for living aboard all year round: central heating comes from a diesel boiler and six radiators, which also supplies the hot water. The electrical installation is comfortable — Victron 12 V / 2,000 W inverter.
The aft terrace, with teak decking, is spacious and sheltered by a bimini; the outside steering position is protected by a canopy. A bathing platform and ladder give access to the water.
Power comes from a 140 hp Vetus with shaft drive and wet exhaust, backed by both a bow thruster and a stern thruster: coming alongside single-handed is effortless. Cruising at 6 km/h, top speed 18 km/h, for a consumption of about 5 litres an hour. Electric windlass with 15 metres of chain. Tanks: 850 litres of diesel and 2 × 250 litres of drinking water. Navigation: GPS, echo sounder, speedometer and VHF.
The boat has been looked after in the yard on a continuous basis in recent years: antifouling and anodes, hull touch-ups, canopy and windows renewed, cover for the outside steering position, winter cover frame and canvas, woodwork of the outside dashboard, chain locker, new gas oven. Gas installation compliance certificate and navigation certificate from 2023, out-of-water inspection and fire extinguisher check in 2024.

Extra : Guindeau électrique avec 15 m de chaîne. Feux de navigation. Structure et toile de bâche d'hiver refaites en 2023. Un bimini et un taud complet séparé

Technical

Number of engines : 1
Power per engine (HP) : 140
Engine make : Vetus
Fuel : Diesel
Exhaust : Wet
Engine cooling : Inter Cooling
Cruising speed (km/h) : 6
Propulsion type : Propeller shaft
Bow thruster : Yes,Vetus
Stern thruster : Yes,Vetus
Bilge pump(s) : Electric(s)
Service battery(ies) : 4 x 140 AH
Type of service battery(ies) : Acid
Motor battery(ies) : 2 x 82 Ah
Type of motor battery(ies) : Acid
Combi (charger/converter) : Victron,12V/2000W-80A
Battery charger : Yes
Converter : Victron,12V/2000W
Voltage on board : 220V,12V,24V
Extra : Croisière 6 km/h, vitesse maximale 18 km/h, consommation d'environ 5 litres/heure. Coque acier de 5 mm. Dix prises 220 V et deux prises 12 V. A toujours navigué en eau douce.

Tank

Engine fuel : 1 x 850 L
Drinking water : 2 x 250 L
Black water : 400 L
Black water tank evacuation pump : Yes

Navigation

Navigation equipment : GPS,Sounder,Speedometer,VHF
