

## Barge 15 m Polyester

**15.24 m x 4.10 m - 4 couchage(s) - 2 cabine(s)**

Mooring place : H2O (Saint-Jean-de-Losne)

**75000 €**

Built in 2006 from fibre-reinforced epoxy composite and extremely well insulated, this boat has a dining area for 6-8 people, an interior wheelhouse and access to the engine. Steps lead up to a double berth cabin aft of the wheelhouse, with en-suite shower and toilet. A staircase leads to the living room with sofa bed and kitchen area. A second cabin with a double bed is located at the front of the boat, with a separate shower and toilet alongside. The lounge/kitchen has a sofa that converts into a third double bed. The wheelhouse seating is arranged as an 'L' shaped dinette on a raised plinth for maximum visibility through the panoramic windows and can also be arranged to provide sleeping for two. The wheelhouse has a large sunroof and a second helm station is located on the aft deck with a beautiful sundeck.

This boat needs to be refurbished (exterior paintwork, varnish, condensation marks, etc.).

Features of the boat

---

**Generalities**

Type of boat : Barge  
Length (m) : 15.24 m  
Width (m) : 4.10  
Year : 2006  
Hull : Polyester  
Superstructure : Polyester  
Air draft (m) : 2.90  
Water draft (m) : 1.05  
Navigation : River

**Comfort**

Cabin(s) : 2  
Sleeping(s) : 4  
Double bed(s) : 2  
Convertible couch : Living room  
Type of WC : Manual,2  
Shower(s) : 2  
Kitchen : Gas hob,Gas oven,12V refrigerator  
Television : Antenna,Yes  
Min. headroom : 2m  
Hot water : Heated by engine  
Heating : Eberspächer fuel central heating  
Type of insulation : Polyurethane foam

**Deck and exterior**

Steering position(s) : 2,Hydraulique  
Outdoor equipment : Gangway,Outdoor  
furniture,Mechanical windlass,Sunroof  
Windows : Aluminum frame

**Technical**

Number of engines : 1  
Power (HP) : 95  
Engine make : Kubota (Beta Marine)  
Engine year : 2006  
Fuel : Diesel  
Engine hours : 10507  
Exhaust : Mouillé  
Engine cooling : Inter Cooling  
Propulsion type : Propeller shaft  
Bow thruster : Vetus,Hydraulique  
Stern thruster : Vetus,Hydraulique  
Bilge pump(s) : 2  
Service battery(ies) : 5 x 80 AH de 2020  
Combi (charger/converter) : Victron  
Solar panel(s) : 2  
Voltage on board : 220V,12V

**Tank**

Engine fuel : 1 x 350 L  
Drinking water : 1 x 700 L

**Navigation**
