28.50 m x 5.05 m - 9
couchage(s) - 4 cabine(s)

Mooring place : South of france

289000 €

This magnificent 28.50-metre Freycinet barge, built in 1922 and completely and carefully renovated, is much more than just a place to live: it is a real business opportunity, ideal for a floating bed and breakfast business. Spacious, bright and tastefully decorated, it offers a unique setting that immediately appeals to travellers looking for an unusual experience on the water.

Already operating as a guesthouse, it currently generates an average turnover of €24k, with strong potential for optimisation for those wishing to further develop the business. The rooms will be sold furnished and equipped with linen, allowing the business to be started up immediately without any additional investment.

Inside, large bay windows illuminate the spacious living-dining room, creating a warm and welcoming

atmosphere, ideal for both living and hosting guests. The fully equipped kitchen (induction hob, 220 V oven, microwave, extractor hood, refrigerator, freezer, dishwasher) makes it easy to prepare breakfast and meals. A washing machine completes the package for total autonomy.

The sleeping area is perfectly suited to professional use: four double cabins, each with its own bathroom and private toilet, guarantee comfort, privacy and a high level of service — a major asset for retaining a demanding clientele or welcoming families.

Outside, a furnished terrace offers a special space for relaxation or breakfast by the water, adding extra charm to the guest experience.

The barge also has a Community certificate valid until 2028, ensuring its compliance for navigation and activity.

In short, this 28.50 m Freycinet barge combines charm, modern comfort and real commercial potential. A rare opportunity to combine your life project with a turnkey professional activity, on the water.
