Discover the pleasures of river cruising aboard this boat, designed to give you comfort and independence during your extended stays on the water.

Its size and features make it perfect for navigating all types of canals. Designed for extended stays on board, it offers all the comfort you need for an enjoyable experience. The interior is designed to be practical and functional, offering a bright and welcoming living space. Its wheelhouse with two side doors and an aft door offers a panoramic view of the environment. The galley makes it easy to prepare meals on board. The saloon is an inviting place to relax, read or share convivial moments. A comfortable cabin with a double bed guarantees a peaceful night's sleep, and adjoins a bathroom with WC and shower.

The aft terrace offers a spacious and comfortable area to enjoy the scenery while sailing. It is equipped with an awning that protects from sun and rain, allowing you to enjoy the terrace in all weathers.

This boat is equipped for fully autonomous sailing, thanks in part to its solar panels.
