Discover this traditional Freycinet barge, measuring 38.79 meters in length and 5.04 meters in width, built in 1930 and elegantly fitted out with sobriety and style. Moreover, compliant with European standards, its community certificate is valid until September 2028, providing you with safety and peace of mind while navigating.

Whether you are a large family, enjoy hosting guests, or are considering a guesthouse project, this boat could perfectly meet your needs. The terrace is ideal for relaxing and enjoying the peaceful views over the water.

Inside, space and comfort abound. The classic crew accommodation at the stern includes a double bedroom and a bathroom. The fully equipped kitchen features a 220V oven, 220V grill, 220V refrigerator, freezer, and

dishwasher, while the dining area and lounge offer a warm and welcoming space for meals and relaxation.

A corridor then leads to five cabins providing up to 12 berths (2 single beds and 5 double beds), each with a private bathroom. In total, the barge has 6 showers and 7 toilets, ensuring comfort and privacy for all passengers.

Thus, this traditional Freycinet barge, with its timeless charm, is perfect for living aboard as a family, hosting guests, or launching a waterside accommodation project.
