Set off on a unique adventure aboard this stunning 1951 Merelbeke barge, measuring 38.50 meters long and 5.05 meters wide, transformed into a luxurious pleasure vessel. A true invitation to travel, this exceptional barge perfectly combines the authentic charm of its heritage with modern comfort, making it ideal for exploring Europe's waterways. While the exterior proudly retains its original character, the interior now features high-end equipment and contemporary design.

Inside, you'll be immediately impressed by a fully equipped kitchen comparable to a home kitchen. Indeed, an induction cooktop, 220V oven, microwave, extractor hood, 220V refrigerator, freezer, and dishwasher allow you to prepare meals with ease and comfort. Additionally, for optimal autonomy on board, the barge also includes a

washing machine and dryer.

For sleeping arrangements, the Merelbeke barge offers an exceptional layout with five cabins accommodating up to ten people. Each cabin provides its own space and storage, making it perfect for large families or hosting guests. Furthermore, five showers, five manual toilets, and three electric toilets are cleverly distributed throughout the vessel, ensuring daily comfort.

Finally, this barge guarantees safe and precise navigation with a depth sounder, VHF radio, radar, autopilot, steering indicator, compass, and AIS system.

Please note: The Union certificate is valid until 2030.

In summary, don't miss this rare opportunity to own a liveaboard boat that combines spaciousness, comfort, and high-quality equipment.
