

BLUEWATER BOATS

19.80 m x 4.10 m - 4
couchage(s) - 2 cabine(s)

Mooring place : South of france

425000 €

Built in 2019 by Bluewater Boats (designed by Wolstenholme), this 19.80-metre cruising barge embodies the perfect blend of contemporary elegance, seagoing performance and luxury comfort. Designed for both coastal cruising and inland waterways, it will appeal to yacht enthusiasts seeking space and tranquillity.

Outside, the panoramic aft deck serves as a true living space. Fitted with a bench seat featuring Sunbrella cushions and a teak table, it transforms into a full-width sun deck, sheltered by a full-length bimini. The whole area is enhanced by Flexiteak 2G decking, which is both attractive and easy to maintain.

The interior offers a remarkable level of comfort, with every detail carefully considered. The spacious saloon, with its two three-seater sofas, invites you to relax in a warm and bright atmosphere. The open-plan galley, fully

equipped with NEFF appliances and a central island, allows you to cook just like at home, whilst remaining at the heart of life on board.

The sleeping quarters offer privacy and luxury with two superb cabins: an owner's cabin with a king-size bed and a guest cabin with a queen-size bed, both fitted with storage space, Dometic air conditioning, radiators, and elegant en-suite bathrooms featuring a shower, toilet, glass washbasin and heated towel rail.

The boat is fully equipped with state-of-the-art technical features:

air conditioning and heating in all rooms, double glazing with thermal break, enhanced thermal and acoustic insulation, full LED lighting, as well as a sophisticated alarm system with remote monitoring, perimeter detection and deterrent devices.

Designed for the sea, its double-chine hull ensures excellent stability and safe navigation. This vessel has sailed along the coasts of the United Kingdom as well as on French canals, demonstrating its great versatility.

Maintenance is impeccable, with annual professional servicing, comprehensive documentation and a substantial stock of spare parts on board.

A rare vessel, combining luxury, technology and the art of living, ideal for cruising in style or living on board in absolute comfort.

Finally, mooring spaces are available in Saint-Jean-de-Losne and Auxonne, making it easier for you to settle in. Financial support may also be available to help you bring your project to fruition under the best possible conditions.

Features of the boat

Generalities

Type of boat : Barge
Length (m) : 19.80 m
Width (m) : 4.10
Builder : Bluewater Boats GB
Model : Cruising Barge
Year : 2019
Hull : Steel
Air draft (m) : 2.90
Water draft (m) : 1
Navigation : River, Maritime
Category CE : C (near the coast)

Comfort

Cabin(s) : 2
Sleeping(s) : 4
Double bed(s) : 2
Convertible couch : Dinette, Living room
Type of WC : Electric, 2
Shower(s) : 2
Kitchen : Gas hob, Oven, Microwave, Extractor hood, 12V refrigerator, Freezer, Cave à vin
Laundry : Washing machine, Dryer
Television : Automatic satellite antenna
Security : Gas detector, Fire detector, Alarm system, Security camera
Hot water : Heated by engine, Heated by 220V, Chaudière Fuel
Heating : Webasto fuel central heating
On-board air conditioning : Reversible (heating & cooling), All cabins
Extra : 8 kg washing machine - motorised TV

Deck and exterior

Steering position(s) : 2, Hydraulique
Outdoor equipment : Gangway, Outdoor furniture, Bathing ladder, Sunshade, Mast, Projector, Loading Crane, Hydraulic Windlass, Deck wash pump, Dinghy, Outboard motor
Teak deck : On the whole boat
Windows : Aluminum frame, Double glazing on all windows
Extra : Flexiteck bridge

Technical

Number of engines : 1
Power per engine (HP) : 210
Engine make : Deutz
Engine year : 2019
Fuel : Diesel
Engine hours : 1300

Exhaust : Mouillé
Engine cooling : Inter Cooling
Automatic fire extinguisher in the engine room : Yes
Number of propeller blades : 4
Shaft lubrication : Water
Propeller shaft sealing : Volvo type rubber seal
Propulsion type : Propeller shaft
Bow thruster : Vetus,Hydraulique
Bilge pump(s) : 4
Service battery(ies) : 2×360 AH from 2019
Type of service battery(ies) : Lithium
Motor battery(ies) : 1×140 AH
Type of motor battery(ies) : Acid
Generator battery(ies) : 1×140 AH
Generator battery type(s) : Acid
Generator set : Vetus GLX14SIC 230 V / 14 kW soundproofed
Combi (charger/converter) : Mastervolt,12V/3000W-150A
Battery charger : Mastervolt,12V/100A
Isolation transformer : Mastervolt,7000W
Solar panel(s) : 6 for a total of 1240 W
Voltage on board : 220V,12V

Tank

Engine fuel : 2266 L
Heating fuel : 740 L
Drinking water : 1500 L
Drinking water treatment : Filtration
Grey water : 2×20 L
Black water : 950 L
Black water tank evacuation pump : Yes

Navigation

Navigation equipment : GPS,Card reader,Sounder,Speedometer,VHF,Radar,Autopilot,Bar
Indicator,Compass,Intercom,AIS system
Extra : Every cockpit is fully equipped with navigation equipment
