## BLUEWATER BOATS

This barge, built by BLUEWATER BOATS shipyards, is a true gem of comfort and refinement.
The wheelhouse, very well equipped, is height-adjustable and provides access both to the salon/kitchen and to the aft section of the boat.
At the rear, a large cabin spans the full width of the vessel. It features a central bed measuring 1.90 m x 1.80 m, with a ceiling height of 2.10 m. This cabin offers ample storage and an en-suite bathroom including a toilet, shower, and sink, all fitted with high-quality fixtures. To starboard, a corridor leads to the salon and also provides access to the engine room, which is presented in exceptional condition, as well as to a sleeping area with two bunk beds.

At the end of the corridor, you enter a spacious salon with an open-plan kitchen. This bright area, with a ceiling height of 2.10 m, combines style and conviviality. The kitchen is fully equipped and includes a wine cellar. The salon features a large television that can be converted into a projector, along with a Bose home cinema system.
Towards the bow, a starboard corridor leads to a large, independent cabin. It includes a workspace with a Bosch washer and dryer. The forward cabin offers a central bed measuring 2.00 m x 1.80 m, an en-suite shower room, and a separate bathroom with toilet and sink. The ceiling height here is also 2.10 m. This cabin has a private exit onto the forward deck, ideal for enjoying breakfast in peace.
Finally, at the aft, the BLUEWATER BOATS barge features a spacious exterior deck measuring 4.20 m x 2.90 m, accessible via two side decks or a central door located at the rear of the wheelhouse.
