This barge built by BLUEWATER BOATS is a true gem of comfort and refinement.

Interior

The well-equipped wheelhouse is height-adjustable and provides access to the saloon/galley on one side and the stern of the boat on the other.

At the aft, you will first find a large cabin occupying the full width of the boat, equipped with a central bed measuring 1.90 m x 1.80 m. In addition, the headroom here is 2.10 m. This cabin features ample storage and an en-suite bathroom with an electric toilet, shower, and sink, all fitted with quality fixtures. Furthermore, on the

starboard, a corridor leads to the saloon. It also provides access to the engine room and a sleeping area with two bunk beds.

The engine room is presented in exceptional condition.

Moving forward, at the end of the corridor, you enter a spacious saloon with an open-plan kitchen. This bright area, with a headroom of 2.10 m, combines style and conviviality. The kitchen is perfect for gourmet evenings, whether for social gatherings or cozy, intimate moments.

The equipment includes:

- Two refrigerators and two freezers
- A double sink
- A three-burner hob with extractor hood
- A microwave oven
- A wine cellar

The saloon is equipped with a large TV screen that can also be used as a projector, as well as a Bose home cinema system.

Towards the bow, a starboard corridor leads to a large independent cabin. This corridor includes a desk area, under which there is a Bosch washing machine and dryer. The forward cabin features a central bed measuring 2.00 m x 1.80 m, an en-suite shower room with a sink, and a separate bathroom with a toilet and sink. Headroom here is also 2.10 m. This cabin benefits from private access to the forward deck, furnished with seating and a table — ideal for enjoying breakfast in complete tranquility.

Finally, at the aft, the boat features a large exterior deck measuring 4.20 m x 2.90 m, accessible via two side walkways or through a central door located at the rear of the helm station.

Summary

This BLUEWATER BOATS vessel has been designed to offer a unique living experience on the water: a spacious and bright interior, optimal thermal comfort in all seasons, and high-end equipment — perfect for those seeking both escapism and comfort.
