

## Branson design barge “Odysseus”

16.77 m x 3.66 m – 6  
couchage(s) – 2 cabine(s)

Mooring place : H2O (Saint-Jean-de-Losne)

**100000 €**

Discover this stunning 16.77-meter by 3.66-meter barge, built in 2006, perfect for cruising the waterways in comfort and style. In addition, it features a spacious wheelhouse with a helm station and bench, ideal for enjoyable and safe trips.

Sleeping arrangements include a rear cabin with a double bed and a bathroom with shower and toilet, while the forward cabin also offers a central double bed. Furthermore, separate showers and toilets at the front add even more convenience. The barge comes with a fully equipped kitchen, including a 4-burner butane gas stove with gas oven (new in 2023), microwave, and a brand-new 220V fridge-freezer, providing maximum comfort for life on board.

The salon features a convertible sofa bed, perfect for hosting guests. For complete autonomy, the barge is fitted with a 5 kg washing machine and dryer in the engine room, as well as reversible air conditioning for comfort in any season.

Finally, the barge was lifted out of the water in 2022 for hull and submerged equipment inspection. It requires some minor refreshing but represents an excellent opportunity for living aboard or cruising the waterways.
