

BRONSVEEN KOTTER 1480 MOTOR YACHT

14.80 m x 4.34 m - 5
couchage(s) - 2 cabine(s)

Mooring place : Northern france

165000 €

The Bronsveen Kotter 1480 embodies the very best of Dutch boatbuilding craftsmanship. With its elegant lines, reassuring presence on the water and high-quality finishes, it immediately appeals to enthusiasts looking for a vessel with genuine character.

On board, the living spaces create a remarkable sense of comfort and tranquillity, particularly appreciated during extended cruises. Upon entering the saloon, you are welcomed by a spacious and inviting living area flooded with natural light through its large windows. The fully integrated galley makes life on board effortless during longer journeys, while the carefully designed layout maximises every available space to provide outstanding day-to-day comfort.

The owner's cabin offers a private and comfortable retreat featuring a central double berth and ample storage space. A second cabin comfortably accommodates family and friends, while the spacious bathroom facilities and numerous onboard amenities further enhance the overall feeling of well-being.

Underway, the Bronsveen Kotter 1480 has been designed to cruise with confidence both on inland waterways and along the coast. It combines strength, stability and ease of handling, making every journey a pleasure. Its timeless profile never fails to attract attention and reflects a level of build quality that has become increasingly rare.

This vessel has benefited from meticulous maintenance throughout the years and is presented today in particularly attractive condition. Maintenance work has been carried out with great care, including the repainting of the hull below the waterline in 2024, providing valuable peace of mind for her future owner.

A beautifully crafted vessel, ideal for boaters seeking an authentic, comfortable Dutch motor yacht ready to embark on new adventures.

Windows : Aluminum frame,Double glazing on some windows,Mosquito net

Technical

Number of engines : 1
Power per engine (HP) : 120
Engine make : DAF
Engine year : 2002
Fuel : Diesel
Engine hours : 2525
Exhaust : Mouillé
Engine cooling : Keel Cooling

Number of propeller blades : 4
Shaft lubrication : Water
Propeller shaft sealing : Rotating joint
Propulsion type : Propeller shaft
Bow thruster : Yes,12V
Service battery(ies) : 4×510 AH from 2024
Type of service battery(ies) : Gel
Motor battery(ies) : 2×265 AH from 2024
Type of motor battery(ies) : AGM
Thruster battery(ies) : 2×265 AH from 2024
Type of propeller battery(ies) : AGM
Generator battery(ies) : 18×70 AH from 2024
Generator battery type(s) : Acid
Generator set : Masé 10 Kwa soundproof
Combi (charger/converter) : Victron
Battery charger : Victron,24V/50A
Converter : Victron,24V/3000W
Solar panel(s) : 3
Voltage on board : 220V,12V,24V

Tank

Engine fuel : 3000 L
Heating fuel : 1000 L
Drinking water : 1000 L
Drinking water treatment : Filtration
Grey water : 200 L
Black water : 200 L
Black water tank evacuation pump : Yes

Navigation

Navigation equipment : GPS,Card reader,Sounder,VHF,Radar,Autopilot,Bar Indicator,AIS system
