Set sail for new adventures with this 18-meter barge for sale

Built in France, this recently constructed and fully equipped barge is ideal for year-round living aboard. With its spacious layout and high headroom throughout, it offers exceptional comfort. Large windows flood every room with natural light, creating a bright and welcoming interior.

This pleasure craft is perfectly suited for cruising on French inland waterways. Equipped with 5 solar panels, the barge is fully self-sufficient, giving you the opportunity to travel on French inland waters.

In terms of layout, the wheelhouse with helm station, table, and bench seating provides easy access to the living areas via a comfortable staircase. The barge offers three berths: two cabins located at the bow, and a spacious aft cabin with a central double bed. For added comfort, all three cabins are equipped with reversible air conditioning. Heating is provided by a pellet stove installed in 2021.

The boat also features a spacious salon with an open-plan kitchen. The kitchen is equipped with a fridge/freezer, extractor hood, microwave, dishwasher, and a washing machine. Additionally, the salon includes a sofa with

storage space under the seating, as well as a convertible dining table that can be turned into a double bed, completing the living area layout.

At the rear of the boat, you'll find a bathroom equipped with a shower cabin, toilet, and double sink. As for navigation equipment, the boat is equipped with the minimum required by regulations: navigation lights, VHF radio, and horn.

To help you better envision the space, we've prepared a 360° view of the boat so you can explore every corner of this barge for sale!
