A former hire boat, sturdy and well equipped, it stands out for its large, bright saloon, its 2 double cabins with a shower room, and its shallow draught (0.85 m), which opens up all the canals and rivers of Europe.

230 V installation with LED lighting throughout the boat, generator, solar panels, diesel forced-air heating and complete navigation electronics. Hull treated with antifouling and repainted below the waterline in 2020, engine serviced (oil change 2024).
