Beautiful 1995 Altena Viking cruiser, versatile and perfectly suited to sailing on both the sea and rivers. It can accommodate up to six people thanks to its two comfortable cabins.

The exterior features a terrace with a steering position and a convenient side entrance. At the rear, the main cabin has a double bed and plenty of storage space, with a separate WC. The separate bathroom has a shower and washbasin, ensuring optimal comfort on board.

The saloon, which is bright thanks to its central saloon, incorporates the interior helm station and benches with storage lockers. The fully equipped galley faces a dinette that easily converts into a double berth. At the front, a V-shaped cabin offers two single beds and benefits from the presence of a washing machine, a rare asset for a

motorboat of this size.

This cruiser combines practicality, comfort and conviviality, ideal for getaways with family or friends.

Mooring spaces are available in our port in Saint-Jean-de-Losne (21), for simple, quick and secure installation.
