Mooring place : H2O (Saint-Jean-de-Losne)

18000 €

Discover this 14-meter cruiser, measuring 14 meters in length and 3.25 meters in width, built in 1930, which presents itself as a true floating home. In addition, its bright and minimalist interior creates a warm and welcoming atmosphere, making it the perfect place to fully enjoy life on board.

Inside, the boat features a large open living area, offering a comfortable and convivial space. The functional and fully equipped galley includes a gas cooktop, refrigerator, and oven, allowing you to easily prepare all your meals on board.

The cruiser also offers a fully equipped bathroom with shower and electric toilet, as well as a cabin with a double bed, providing a private and comfortable space for rest. Thanks to this double bed and the convertible

saloon berth, the boat can accommodate up to four people, making it ideal for family or friends during extended cruises.

All the interior layout and renovation have been carefully carried out by the owners, highlighting the generous volumes and practical arrangement of this unique vessel. Combining retro charm with modern functionality, this 14-meter cruiser represents a rare opportunity for anyone looking to fully experience life on the water.
