CRUISER SYMPHONY

Discover this Dutch motor cruiser, built in 1998 by the Jachtwerf Koalite shipyard in the Netherlands. The Symphony 35 illustrates Dutch craftsmanship — featuring a solid steel hull, good finish, and comfort both under way and at anchor.

With an overall length of 10.50 metres and a beam of 3.80 metres, this cruiser offers generous interior space and good stability. Thanks to its steel hull and well-thought-out layout, it is an enjoyable boat to live aboard.

Inside, the atmosphere is bright. You'll find a spacious saloon, a fully equipped galley (gas stove, 220V oven, 24V refrigerator), two cabins, a shower, and two toilets. The helm station is roomy and offers good visibility, whether cruising or moored.

Outside, the cockpit and aft deck allow relaxation — spaces to enjoy sunny days on the water, whether at sea or on the canals.

In terms of navigation equipment, this Symphony cruiser is fitted with a VHF radio, depth sounder, rudder indicator, and AIS system.
