Discover this Beachcraft motorboat, designed for comfort, navigation and life on board. Upon entering, its spacious, bright saloon with helm station offers an ideal social space for entertaining, complemented by a fully equipped galley. In addition, the convertible dinette can easily be converted into a large double bed.

At the rear, the master cabin features a central bed, plenty of storage space and access to a bathroom with WC, sink and storage. In addition, a separate shower cabin houses a washing machine and dryer. At the front, two V-shaped berths complete the sleeping accommodation.

The outdoor areas include a large aft deck, wide gangways and a large foredeck with a quick-release manual anchor and a movable ladder. Finally, the flybridge, equipped with a helm station and closed storage, offers a

complete steering area and a privileged place to relax.

The hull was refitted and repainted in 2023: sanding, application of two coats of primer followed by two coats of brackish water antifouling.

This Beachcraft motorboat is ideal for cruising, floating accommodation or long voyages, combining comfort and autonomy.

However, it requires refurbishment and upgrading to current standards, the cost of which has been included in the sale price. A solid foundation (steel hull, 2014 DAF engine, 2023 fairing) for a well-managed renovation project.
