Discover this superb 14.20-meter Dutch motor yacht, built in 1978, designed to offer optimal comfort both underway and moored. From the very first glance, its generous volumes and functional layout impress, making it an ideal choice as a liveaboard or for extended river and coastal cruises.

Inside, you'll enjoy a bright and spacious living area, perfect for spending quality time on board with family or friends. The layout combines comfort and conviviality, thanks to its thoughtful design. The night area features two comfortable cabins: a large master cabin with a double bed and ample storage, and a second cabin with two single beds, ideal for accommodating guests.

In addition, the boat is equipped with a bathroom that includes a shower and toilet, offering appreciated daily

comfort. The fully fitted galley includes a 12V refrigerator, gas stove, oven, and microwave, allowing you to cook on board just like at home.

When it comes to navigation, the boat features two helm stations—one inside and one outside—making it adaptable to all weather conditions. It is also equipped with a depth sounder, VHF radio, rudder indicator, and compass for safe and easy cruising.

Finally, the spacious outdoor deck is a true highlight, perfect for enjoying sunny days, dining al fresco, or relaxing during stopovers.

In summary, this 14-meter Dutch motor yacht is habitable, spacious, well-maintained, and ready to set off on new adventures on the water!
