De Groot Palma Cruiser 40B “Why Not”

Beautiful boat built in 1980. Many renovations were carried out in 2019 (interior teak floor, woodwork, paint, electricity...). Outside, some work will still need to be done. The terrace well designed and spacious enough for you to comfortably enjoy having an aperitif after a beautiful day cruising. You go inside through one of the two very convenient side doors. The interior is particularly nice and bright. It offers a comfortable living room, a steering position, a fully fitted kitchen, a bathroom and two beautiful cabins.

Features of the boat
