Delta Marine Luxemotor ” CHARLOTTE”

Treat yourself to a peaceful lifestyle on the water with this beautifully crafted barge, a faithful Luxemotor-style replica constructed in 2005 by Delta Marine Services. Originally, the boat cruised the River Thames and crossed the English Channel in 2006. Later, after exploring the Belgian waterways, it made its way to France.
More recently, in October 2023, the hull underwent a complete inspection, including the installation of new anodes and the application of a two-coat epoxy system for optimal protection. Additionally, the community certificate is valid until 01/09/2030, offering peace of mind for years to come.
Inside, you’ll find two spacious cabins, each featuring a double bed to comfortably accommodate up to four people. In addition, two modern bathrooms with toilets and showers provide privacy and convenience for all
