

## DUTCH CRUISER “MARIA”

**11.90 m x 3.30 m - 4 couchage(s) - 1 cabine(s)**

Mooring place : H2O (Saint-Jean-de-Losne)

**50000 €**

Immerse yourself in history with this iconic Dutch cruiser, a witness to a bygone era.

Once a fixture on Dutch waters, this vessel has been brought back to life by the passion and expertise of its owner. The owner undertook a major renovation from November 2015 to January 2019. The historic interior has been preserved with many authentic details, such as beautiful bench seating and cabinets and a granite countertop. The layout of the boat from bow to stern consists of toilet/sink, cabin with bunk beds on both sides (sleeps 4), stairs to the wheelhouse, stairs to the saloon, further aft to the galley, then a door to the open cockpit aft.

It should be noted, however, that this boat still requires some refurbishment, in particular the water system, electricity, etc...

More recent photos to come.
