

12.25M DUTCH MOTORBOAT - RESTORATION PROJECT

12.25 m x 3.70 m - 6
couchage(s) - 2 cabine(s)

Mooring place : H2O (Saint-Jean-de-Losne)

25000 €

Discover this elegant Dutch motorboat, measuring 12.25 metres long and 3.70 metres wide, dating from 1990. Currently on dry land at our shipyard, this boat is an excellent basis for a renovation project.

Spacious and functional interior layout: The fully equipped galley includes a gas hob, microwave, extractor hood and two refrigerators (220V and gas). The spacious saloon offers a beautiful, bright living space, ideal for relaxing or entertaining.

The large aft cabin has a central double bed with plenty of cupboards and storage space. A full bathroom with separate shower and toilet ensures comfort on board.

The outdoor cockpit with benches will allow you to fully enjoy your future sailing trips. The boat is also equipped with an alarm system.

Work to be done:

- Complete overhaul of the propulsion system (shaft lines)
- Boilermaking work (chain locker and gas locker)
- General painting work

A solid foundation for your project: Despite the work required, this motorboat has a sound structure and high-quality fittings, making it an excellent opportunity for enthusiasts wishing to customise their boat. Viewable on dry land for easy inspection.
