Superb cruiser built in 2010. In excellent condition, she is ready to cruise down the river. Her size is ideal for long trips. The large platform at the back will allow you to bring along a motorbike or bicycles. The terrace is large. You'll be able to steer from there and have your meals in the shade on sunny days. Inside you'll find a bright living space with a kitchen / dining room, a comfortable living room and two cabins with central double beds and en-suite bathrooms. We love: it's a very well looked after boat.
