

## Euroclassic 149

14.63 m x 4.12 m - 2 couchage(s) - 2 cabine(s)

Mooring place : Centre de la France

**175000 €**

Beautiful Euroclassic barge, liveable all year long. She was built in 2006. Her robust, elegant lines make her a real eye-catcher.

She is very well equipped for life on board. The living area is spacious and modern. There's a galley opening onto the saloon, two bathrooms and two toilets, and a double bedroom with a dressing room. The aft cabin occupies the full width of the hull, and as there are no gunwalls, it is easy to plan the layout of an additional cabin.

The deck has been powder-coated. A custom-made frame and awning were made in 2020. Painting and fairing were completed in 2022. The walkways are very wide and pleasant. The deck is very spacious. The engine room is also very large. This boat is economical and is under the 15-metre mark, allowing it to be moored anywhere in France.

Features of the boat

---

**Generalities**

Type of boat : Barge  
Length (m) : 14.63 m  
Width (m) : 4.12  
Year : 2006  
Hull : Steel  
Water draft (m) : 0.80  
Navigation : River

**Comfort**

Cabin(s) : 2  
Sleeping(s) : 2  
Convertible couch : Living room  
Type of WC : Electric,2  
Kitchen : Gas hob,Gas oven,Microwave,220V  
refrigerator,12V refrigerator,Freezer  
Laundry : Washing machine  
Television : Parabole,Automatic satellite antenna,Yes  
Hot water : Heated by engine,Heated by 220V  
Heating : Oil boiler,Oil stove  
On-board air conditioning : Reversible

**Deck and exterior**

Steering position(s) : 2,Hydraulique  
Outdoor equipment : Gangway,Outdoor  
furniture,Sunshade,Projector,Windlass  
Windows : Wooden frame,Double glazing on some  
windows

**Technical**

Number of engines : 1  
Power (HP) : 75  
Engine make : Beta marine  
Engine year : 2006  
Fuel : Diesel  
Engine hours : 2100  
Exhaust : Sec  
Engine cooling : Keel Cooling  
Number of propeller blades : 4  
Shaft lubrication : Grease  
Propeller shaft sealing : Classic stuffing box  
Cruising speed (km/h) : 10  
Propulsion type : Propeller shaft  
Bow thruster : Hydraulique  
Bilge pump(s) : 1  
Service battery(ies) : 3  
Type of service battery(ies) : Gel  
Motor battery(ies) : 1  
Type of motor battery(ies) : Gel  
Thruster battery(ies) : 1  
Generator set : 1  
Combi (charger/converter) : Mastervolt,24V /  
3500W-100A  
Battery charger : Mastervolt  
Converter : Mastervolt  
Voltage on board : 220V,12V

**Tank**

Engine fuel : 2X450L  
Heating fuel : 280L  
Drinking water : 900L
