Fifty Stavelse Kotter 1040, an authentic Dutch boat combining traditional charm with exceptional robustness. This boat captivates with its classic lines and comfortable sailing, whether on rivers or at sea.

This Fifty Kotter is particularly pleasant to sail, highly manoeuvrable and offers excellent seaworthiness, remaining safe and stable whatever the conditions. It features three masts, including a mainmast and a mizzenmast.

The rigging is complemented by four new sails comprising a mainsail, a mizzen sail, a jib and a staysail, allowing for versatile sailing. All the exterior woodwork has been fully restored and carefully varnished, highlighting the boat's traditional character.

In terms of maintenance, the hull underwent a complete sandblasting of the underwater sections, followed by an antifouling treatment carried out in 2024. The opening windscreen has also been fully resealed, ensuring comfort and peace of mind on board.

The interior offers a warm and functional living space, ideal for cruising or life on board, with fittings typical of Dutch kotters.
