Discover the Fifty Stavelse Kotter 1040, an authentic Dutch boat combining traditional charm with outstanding robustness. This vessel stands out for its classic lines and comfortable handling, both on inland waterways and at sea.

It is particularly pleasant to helm and offers excellent seakeeping, remaining safe and stable in all conditions. It is also equipped with three masts, including a main mast and a mizzen mast.

The rigging is complemented by four new sails, including a mainsail, a mizzen sail, a jib, and a staysail, allowing for versatile sailing. In addition, the complete restoration and careful varnishing of all exterior woodwork highlight the boat's traditional character.

In terms of maintenance, the hull has undergone full sandblasting of the underwater areas, followed by antifouling completed in 2024. Furthermore, the opening windshield has been fully refurbished in terms of watertightness, ensuring comfort and peace of mind on board.

Finally, the interior offers a warm and functional living space, ideal for cruising or living aboard, with typical Dutch kotter-style fittings.

This Fifty Staverse Kotter 1040 represents a great opportunity for enthusiasts looking for a characterful, well-maintained vessel ready to sail.

Mooring berths are available in our marinas in Saint-Jean-de-Losne and Auxonne (21), allowing for a simple, quick, and secure setup. We can also assist you with financing options to help bring your project to life.
