FREYCINET BARGE

This 29.54m Freycinet barge features a patented specially articulated rudder that allows on-the-spot maneuvers. Powered by a GM 240 HP 8-cylinder engine, it delivers good performance on the water. The dual-purpose auxiliary engine functions both as a water pump and an electricity generator, ensuring autonomy.

Interior:

The boat’s interior is arranged on two levels. Inside the former hold, you’ll find a large kitchen and a spacious, bright dining area. The lower level includes a living room bathed in natural light thanks to Velux windows, two cabins, a bathroom with toilet and shower, and a laundry/storage room equipped with a washing machine and ample storage space.

Heating:

Central heating, programmable pellet and hydro-based, provides a pleasant temperature year-round, with five radiators and a mixed water and electric towel warmer.
The forward sailor’s accommodation offers a space with a 110 cm bed, oil-fired heating and plenty of storage space.

The bargee’s accommodation — which retains its period woodwork — includes two berths, a small saloon, WC and shower, and plenty of storage space.

Storage:

Storage is an asset on this boat, featuring vast spaces including a large compartment under the kitchen for provisions or equipment. There are also two tanks for drinking water and two for wastewater. The technical room, located at the bow and spanning two levels, houses three drinking water tanks, a river water tank (for toilets), and a generator with a stainless steel fuel tank. This room also offers ample space for tools and maintenance equipment.
The boat comes equipped with numerous accessories, including nylon ropes, mooring and mechanical equipment, as well as a large gangway.
This Freycinet barge is in good condition and combines comfort and functionality. It is suited to long voyages or as a floating residence on the river.
Additional photos of the Freycinet barge will be available soon.

Features of the boat

Generalities

Type of boat : Barge
Length (m) : 29.50 m
Width (m) : 5.05
Model : FREYCINET
Year : 1958
Hull : Steel
Air draft (m) : 3.10
Water draft (m) : 1.30
Navigation : River

Comfort

Cabin(s) : 5
Sleeping(s) : 6
Single bed(s) : 1
Double bed(s) : 5
Convertible couch : Living room
Type of WC : Manual,Electric,2
Shower(s) : 2
Kitchen : Gas hob,Gas oven,Microwave,Extractor hood,220V refrigerator,Freezer,Dishwasher
Laundry : Washing machine
Television : Antenna,Parabole
Security : Fire detector
Min. headroom : 2.20
except the following part(s) : Original cabin
Hot water : Heated by 220V
Heating : Oil boiler,Wood stove,Pellet stove
On-board air conditioning : Yes

Deck and exterior

Steering position(s) : 1,Mechanics
Outdoor equipment : Gangway,Bathing ladder,Sunshade,Mast,Projector,Davits,Mechanical windlass,Deck wash pump,Dinghy
Windows : Wooden frame,Double glazing on some windows

Technical

Number of engines : 1
Power per engine (HP) : 240
Engine make : General Motors
Engine year : 1955
Fuel : Diesel
Exhaust : Sec
Engine cooling : Keel Cooling
Number of propeller blades : 3
Shaft lubrication : Grease
Propeller shaft sealing : Classic stuffing box
Ballasted : Concrete block
Propulsion type : Propeller shaft
Bilge pump(s) : 1
Service battery(ies) : 2 x 180 AH
Type of service battery(ies) : AGM
Motor battery(ies) : 2 x 180 AH from 2023
Generator battery(ies) : 1
Generator battery type(s) : Acid
Generator set : BERLAN 5000 w
Combi (charger/converter) : Victron,12V/3000W-120A
Battery charger : Mastervolt,12V/8A,12V/8A
Converter : Victron,24V/3000W
Voltage on board : 220V,24V

Tank

Engine fuel : 2000 L
Drinking water : 6000 L
Grey water : 1000 L
Black water : 1000 L
Black water tank evacuation pump : Yes

Navigation

Navigation equipment : Sounder,VHF
