Mooring place : H2O (Saint-Jean-de-Losne)

90000 €

Discover this magnificent shortened Freycinet barge, built in 1949, which has all the potential to bring your river project to life.

The barge has a self-contained, immediately habitable accommodation, comprising a fitted kitchen, a shower room, a toilet and a lounge. Generous space is available for conversion as you wish.

The floor was replaced in 2003. A swimming pool and a 40m² terrace let you enjoy sunny days.

This barge is ideal for anyone who wants to realise their dream of creating an atypical, authentic living space.

The boat has a double bottom and the work carried out is of the highest quality.
