Freycinet Barge 39.20m

Discover this habitable 39.20-meter Freycinet barge, 5.05 meters wide, built in 1962 — suited to life on the water or a floating home project. With a community certificate valid until 2027, this vessel complies with navigation standards.
The barge features a spacious outdoor terrace. Inside, you'll find a bright, comfortable, and functional living space. The open-plan layout includes a fully equipped kitchen (induction cooktop, 220V oven, refrigerator, freezer, microwave, extractor hood), a dining area, and a lounge.
For added autonomy, the boat comes with a washing machine and a dryer. The sleeping quarters include three cabins with sleeping arrangements for up to three people (one double bed and one single bed), as well as two bathrooms.
This 39.20-meter Freycinet barge offers potential for customization — whether you're looking for a primary residence, a weekend retreat, or a professional project.
