Discover this habitable 39.20-meter Freycinet barge, 5.05 meters wide, built in 1962 — an ideal choice for life on the water or a unique floating home project. With a community certificate valid until 2027, this vessel fully complies with navigation standards, offering peace of mind during your journeys.

To begin with, the barge features a spacious outdoor terrace — perfect for enjoying sunny days and relaxing moments along the water. Inside, you'll find a bright, comfortable, and functional living space. The open-plan layout includes a fully equipped kitchen (induction cooktop, 220V oven, refrigerator, freezer, microwave, extractor hood), a welcoming dining area, and a cozy lounge.

Moreover, for added autonomy, the boat comes with a washing machine and a dryer, making daily life on board

easy and convenient. The sleeping quarters include three cabins with sleeping arrangements for up to three people (one double bed and one single bed), as well as two bathrooms, providing both practicality and privacy. Lastly, this 39.20-meter Freycinet barge offers excellent potential for customization — whether you're looking for a primary residence, a weekend retreat, or a professional project.
