38.97 m x 5.05 m - 4
berth(s) - 2 cabin(s)

Location : H2O (Saint-Jean-de-Losne)

98000 €

FREYCINET BARGE “BONANZA”

This Freycinet 38.97m, built in 1957 and converted in 2001, offers generous living spaces for a liveaboard project or an on-water business.
There are two access points: one via the wheelhouse leading into a small skipper’s cabin, which includes a compact kitchen, a bedroom, and a bathroom with shower and toilet. A second side entrance provides access to the main living area.

Interior

The layout is centred around a large fully equipped kitchen opening onto a dining area, with direct access to the engine room and boiler. A spacious salon completes this area and opens onto a large flexible living space to be fitted out. A mezzanine with sleeping areas provides additional adaptable space. A long corridor on the port side leads to a double bedroom with ample storage and access to a technical room housing the water pumping and filtration systems.
A large terrace of approximately 40 m² completes the vessel, offering an outdoor relaxation area.

Work required

This Freycinet 38.97m features approximately 20 cm of insulation (glass wool and rock wool). The diesel boiler was serviced in 2025, and a heat pump was installed the same year. The engine battery bank is new, while the domestic batteries need replacing. The interior walls remain unfinished, allowing the layout to be completed according to personal taste. A gazebo structure is also available.
Significant works have recently been carried out, including antifouling, hull repainting, and anode replacement.
Renewal of the EU certificate is required. The 2024 survey report outlines the works necessary for compliance, noting that part of the required work has already been completed.
Moorings are available in our ports in Saint-Jean-de-Losne and Auxonne (21). We can also assist you with financing options to help bring your project to life.

Generalities

Type of boat : Barge
Length (m) : 38.97 m
Width (m) : 5.05
Builder : Plaquet
Model : Freycinet
Year : 1957
Hull : Steel
Air draft (m) : 3.40
Water draft (m) : 1.40
Navigation : River

Comfort

Cabin(s) : 2
Sleeping(s) : 4
Double bed(s) : 2
Type of WC : Electric,2
Shower(s) : 1
Kitchen : Induction hob,Oven 220V,Extractor hood,220V refrigerator,Freezer,Dishwasher
Laundry : Washing machine,Dryer
Television : Antenna
Min. headroom : 1.73 m wheelhouse
except the following part(s) : 2.50m galley, 2.20m saloon, 1.85m captain's cabin, 1.90m captain's galley
Hot water : Chaudière Fuel
Heating : Oil boiler
On-board air conditioning : Reversible (heating & cooling),All cabins

Deck and exterior

Steering position(s) : 1,Mechanics
Outdoor equipment : Gangway,Bathing ladder,Mast,Mechanical windlass
Windows : Double glazing on all windows

Technical

Number of engines : 1
Power per engine (HP) : 240
Engine make : GM
Engine year : 1957
Fuel : Diesel
Exhaust : Wet
Engine cooling : Inter Cooling
Shaft lubrication : Grease
Propeller shaft sealing : Classic stuffing box
Propulsion type : Propeller shaft
Bilge pump(s) : 3,Electric(s)
Motor battery(ies) : 2x12V
Generator set : yes, soundproofed
Battery charger : Yes
Converter : Mastervolt 4000W
Voltage on board : 220V,24V

Tank

Engine fuel : 1000L
Heating fuel : 1000L
Drinking water : 2x 3000L

Navigation

Navigation equipment : VHF
