# FREYCINET DRU BOUCHAIN 39 M

This 39-metre Freycinet barge was built in 1949 in France at the Dru yard (Bouchain). It is equipped with a fully operational engine and ready to navigate. The community certificate is valid until 2030.
Originally used as a cargo transport boat, this vessel has since been converted. Today, the interior blends comfort and functionality for a pleasant life on board, whether moored or cruising. It offers three cabins accommodating up to seven people (three double beds and one single bed) as well as three bathrooms equipped with showers and toilets. It also includes a sauna.
The kitchen is fully equipped: induction cooktop, 220V oven, microwave, extractor hood, 220V refrigerator, freezer and dishwasher. A washing machine is also on board.
