**199000 €**

Welcome aboard this 39-meter Freycinet barge, built in 1949 in Belgium. It is ready to navigate immediately, equipped with a fully operational engine.

From the very first moments, fall in love with the slow pace of life on the water, watching the river flow through the portholes each morning aboard this historic 1949 cargo vessel. More than just a barge, it embodies the dream of living on the water — a true sanctuary for romantics and adventurers alike. With its carefully designed interior, you'll enjoy all the comforts of a home, paired with calming waterfront views. Additionally, the community certificate is valid until 2030.

Originally used as a cargo transport boat, this vessel has been lovingly converted. Today, the interior of this

Freycinet barge perfectly blends comfort and functionality for a truly pleasant life on board, whether moored or cruising. Spacious and inviting, it offers three cabins accommodating up to seven people — three double beds and one single bed. The living spaces are designed for your well-being, featuring three bathrooms equipped with showers and toilets, ideal for extended stays. As a unique highlight, the 39-meter Freycinet barge also includes a sauna!

The kitchen is fully equipped to meet all your culinary needs: induction cooktop, 220V oven, microwave, extractor hood, 220V refrigerator, freezer, and dishwasher. For added convenience and autonomy, a washing machine is also on board — a real bonus for everyday life.
