28.80 m x 5.05 m - 6
berth(s) - 3 cabin(s)

Mooring place : Southern France

235000 €

FREYCINET ESCAUT

Discover this Freycinet barge, built in 1958, measuring 28.80 metres in length and 5.05 metres in width, in the tradition of historic cargo vessels. Renovated in the 2000s, it now offers a comfortable life on board. It has been well maintained and holds a community certificate valid until 2029, an advantage for navigation.
Outside, you will enjoy the large deck, for sunny days, shared moments, or admiring the riverside scenery. Its removable wheelhouse allows for navigation on all canals, even the most restricted in height.
Inside, the bright and functional space includes the classic crew accommodation, a fully equipped kitchen with gas hob, 220 V oven and grill, and a 220 V refrigerator. You will also find a spacious salon, three cabins offering rest areas, and two bathrooms.
