

10.65 m x 3.60 m - 6  
couchage(s) - 1 cabine(s)

Mooring place : H2O (Saint-Jean-de-Losne)

**35400 €**

## **GRUNO 35**

Attractive 1988 motor cruiser, suited to both coastal and inland waters.

The interior sleeps up to 6. She has one cabin, a pleasant aft terrace with an outside helm, ideal in fine weather, and a bright saloon with a sofa and an inside helm. The aft cabin has a double berth and fitted lockers. A shower and a separate WC complete the living space. The fitted galley adjoins a dinette that converts into a double berth, while the forward section takes two single berths.

The galley has a four-burner gas hob, an electric oven and a 230 V refrigerator.

Power comes from a Ford Lehman diesel developing 128 hp. A bow thruster makes manoeuvring easy.

A comfortable cruiser, well suited to inland and coastal cruising. Her generous layout, six berths, twin helm

positions and complete equipment make her a particularly pleasant boat for cruising with family or friends. The onboard systems have not been serviced for two years and their servicing is due. The price reflects this. New photographs of the boat will be taken within the next two weeks.

Berths are available in our marinas at Saint-Jean-de-Losne and Auxonne (21). We can also assist you with financing arrangements to help bring your project to completion.

## Features of the boat

| Generalities                                                                                                                                                                                                                                                                                                                                                      | Technical                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
