# ICEBREAKER TUG

This boat is a former German icebreaker tug, built in 1956 by the Siebert yard in Berlin. A steel hull of 15.58 m by 3.62 m, drawing 0.90 m with an air draft of 3.05 m and a lowerable mast. Few were ever built.
She had one German owner, then the present ones, who turned her into a home by roofing over the aft deck. They have lived aboard for twenty years and have maintained and improved her over the years: the interior was designed for living aboard, not adapted to it afterwards.
One cabin with a double berth, a shower and an electric WC. Headroom is 2 m, except in the forward cabin. The interior joinery is in ash and frake, the flooring in okoume, and the insulation is multi-layer. Every window is double-glazed, with wooden and aluminium frames, and mosquito screens on the opening lights. Heating is a

wood-burning stove.
The boat is self-sufficient in water and electricity: seven solar panels, a 2 x 300 Ah lithium battery bank, a 2,400 W / 70 A Victron combi, and a 400-litre stainless steel fresh water tank with filtration.
Power comes from an MWM D232 V8 of 114 kW, keel-cooled, with a dry exhaust and shaft drive. Cruising speed reaches 18 km/h for a consumption of 7 l/h, and the diesel tank holds 800 litres. The shallow draft and that power make her easy to handle.

## Features of the boat

### Generalities

Type of boat : Barge
Length (m) : 15.58 m
Width (m) : 3.62
Builder : Siebert (Berlin)
Year : 1956
Hull : Steel
Air draft (m) : 3.05
Water draft (m) : 0.90
Navigation : River
Category CE : Non applicable

### Comfort

Cabin(s) : 1
Sleeping(s) : 2
Double bed(s) : 1
Type of WC : Electric,1
Shower(s) : 1
Kitchen : Gas hob,Gas oven,Extractor hood,220V refrigerator,Freezer
Laundry : Washing machine
Television : Antenna
Security : Gas detector,Alarm system,Security camera
Min. headroom : 2
except the following part(s) : Cabine avant
Hot water : Heated by 220V
Heating : Wood stove

### Deck and exterior

Steering position(s) : 1,Hydraulique
Outdoor equipment : Gangway,Sunshade,Mast,Mechanical windlass,Deck wash pump
Windows : Wooden frame,Aluminum frame,Double glazing on all windows

### Technical

Number of engines : 1
Power per engine (HP) : 155
Engine make : MWM
Engine year : 1956
Fuel : Diesel
Exhaust : Sec
Engine cooling : Keel Cooling
Number of propeller blades : 3
Shaft lubrication : Grease
Propeller shaft sealing : Classic stuffing box
Cruising speed (km/h) : 18
Propulsion type : Propeller shaft
Bilge pump(s) : 1
Service battery(ies) : 2 x 300 Ah de 2021
Type of service battery(ies) : Lithium
Motor battery(ies) : 2 x 225 Ah de 2025
Type of motor battery(ies) : Acid
Combi (charger/converter) : Victron
Converter : Victron
Solar panel(s) : 7
Voltage on board : 220V,12V,24V

### Tank

Engine fuel : 800
Drinking water : 400
Drinking water treatment : Filtration
Black water : 150
Black water tank evacuation pump : Yes

### Navigation

Navigation equipment : Sounder,VHF,Bar Indicator
