Discover this beautiful Jacabo 1600 motor yacht, measuring 16.50 meters in length and 4.85 meters in beam, built in 1990 and first launched in 1997. This vessel offers generous living spaces and ensures safe and easy movement on board thanks to its wide side decks, allowing you to walk around with confidence.

The interior stands out for its remarkable volume and exceptional comfort. The bright and welcoming saloon opens onto a fully equipped galley, featuring a gas hob, a 220 V oven, a 220 V grill, as well as a 220 V refrigerator and freezer, allowing you to prepare meals just like at home. Please note that there are some signs of condensation under a few window frames, along with a few rust spots.

For the night area, the boat offers two spacious double cabins, complemented by a bathroom and a separate

toilet, providing privacy and comfort for all on board.

Outside, the large aft deck provides a particularly pleasant space to enjoy cruising, relaxing moments, and warm summer evenings.

Ideal for comfortable cruising, extended stays on board, or even year-round living, this Jacabo 1600 combines charm, space, and great potential.
