

JANNEAU EAU CLAIRE 930

9.30 m x 3.51 m - 4
couchage(s) - 1 cabine(s)

Mooring place : East of France

32500 €

Discover this Jeanneau Eau Claire 930 river cruiser, a boat renowned for its on-board comfort, bright interior and ease of handling. Ideal for cruising on canals and rivers, this model has been a favourite with leisure boaters for years thanks to its user-friendly layout and remarkable spaciousness.

Measuring 9.30 metres in length and approximately 3.57 metres in width, the Eau Claire 930 offers a particularly pleasant interior space for a boat in this category. Its single-level design makes it easy to move around on board, and its large windows allow plenty of natural light to flood into the entire boat.

The interior features a spacious saloon with an integrated helm station, allowing you to fully enjoy the sailing experience whilst remaining at the heart of life on board. The fully equipped galley features a fridge, an oven

and a hob, perfectly suited to extended stays. The boat offers several comfortable berths for up to 4 people, with an aft cabin, convertible berths and a bathroom fitted with a shower, washbasin and toilet.

Movement around the exterior is particularly safe thanks to the wide gangways, handrails and well-designed deck areas. The large canopy and the fore and aft decks offer ideal spaces for enjoying stopovers and summer sailing.

Powered by a Yanmar diesel engine renowned for its reliability and fuel efficiency, the Eau Claire 930 is appreciated for its ease of handling and shallow draught of approximately 0.60 metres, allowing easy access to most waterways.

The boat was fully serviced by a professional in 2025 and underwent a dry dock survey in 2025.

A comfortable, economical and particularly charming boat, perfect for discovering river cruising or enjoying long cruises in complete peace of mind

Moorings are available in our ports at Saint-Jean-de-Losne and Auxonne (21). We can also assist you with your financing arrangements to help bring your project to completion.

Features of the boat
