KNIGHT CRAFT KOTTER 1080 AK

This Knight Craft Kotter 1080 AK was built in 2003 by the Dutch yard Jachtwerf De Wijde Blick in Kortenhoef. An 10.80 m steel motor cruiser, she stands out for her careful finish and excellent upkeep: hull and superstructure were fully repainted in 2022-2023 by a professional in the Netherlands, and the sun awning (bimini) has been renewed. Well insulated (rockwool, double glazing in the saloon) and heated by a Webasto forced-air system, she is a comfortable, quiet boat, equally suited to cruising and to extended periods on board.
Powered by a Vetus Deutz D43423A of 106 hp (approximately 1,800 hours, last oil change in 2025), she cruises at around 12 km/h with modest fuel consumption of around 4 l/h. Shaft-drive propulsion, a bow thruster and hydraulic steering make her an easy, reassuring boat to handle, equally at home on inland waterways and coastal waters (CE category C, French flag, VAT paid).
Inside, solid teak joinery creates a warm, timeless atmosphere. The layout includes a forward cabin with a double berth, a convertible saloon and a fitted galley (gas hob, fridge, microwave), for a total of 5 berths. The shower room has a WC and a shower. On deck, a bathing ladder, windlass, deck-wash pump and a large aft cockpit sheltered by the bimini invite you to enjoy the water. Navigation electronics: GPS, depth sounder, log and rudder angle indicator.
