This traditional-style motorboat captivates with its elegant boat-like lines, authentic look and remarkable interior layout for a length of 11 metres. Easy to manoeuvre thanks to its two steering stations, it offers excellent stability when sailing and a level of comfort on board that is rare for this type of boat.

With three exterior access points, it has a pleasant, spacious terrace and a bright interior with a ceiling height of 1.98 metres. The panoramic saloon features a comfortable corner sofa and a table that converts into a double bed, providing a warm space for living or entertaining. The on-board equipment allows for comfortable living in all seasons.

Maintenance and renovations have included: in 2016, sandblasting and epoxy treatment of the submerged hull; in 2017, the update of the aft cabin with a lift-up bed, custom furniture, and mattress; in 2018, a complete overhaul of the bilge with floor removal, as well as renovation of the galley (furniture and appliances). The wheelhouse also received replacement of the doors and the forward panel in iroko wood. In 2024, the aft door was replaced, followed in 2025 by a full hull maintenance with antifouling and repainting.

This charming and well-equipped motorboat is a great opportunity for river navigation enthusiasts or those wishing to live on board in a comfortable and well-maintained setting. It is available immediately and ready to welcome its new owners.
