LINSSEN 36 SL

Discover this LINSSEN motor cruiser, 11 metres long and 3.45 metres wide, built in 1989. Reliable and well maintained, she is suited to both inland and coastal navigation and will appeal to boaters looking for comfort and autonomy.
Outside, an aft terrace and an outdoor helm station offering good visibility. The steel hull was completely repainted; the propeller and anodes were replaced and the antifouling redone in 2024.
The interior is well laid out and offers generous volumes. The bright saloon has a convertible sofa and a second, indoor helm station. The U-shaped galley is fitted with a gas hob, an oven, a refrigerator and a freezer.
For sleeping, the LINSSEN has two cabins: a forward cabin with two V-berths and a private aft cabin with a double bed. The boat has two shower rooms — one forward, facing the galley, and one aft accessed from the aft cabin — each fitted with a washbasin, a shower and an electric toilet. With the convertible saloon, the layout sleeps up to 6.
Numerous storage spaces throughout the boat make extended stays on board possible.
